

MD, CEO and Business Owners

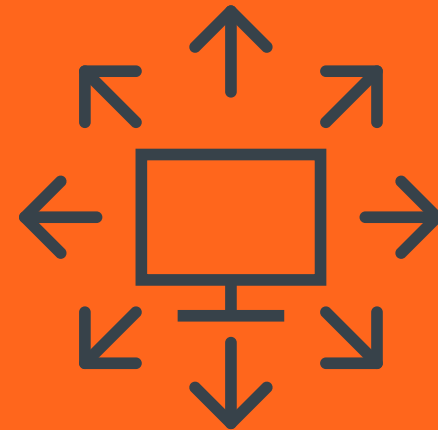

As the strategic driver for the business I am responsible for the performance of the company. I need to make sure my staff have the right tools and systems to allow them to do their jobs efficiently and effectively. I want to streamline workflows and increasing overall productivity. I require complete visibility and control over my business to secure its future and maintain a happy workforce.

Challenges

Your business faces multiple challenges daily, but your systems shouldn't be one of them. Below are some of the top pains we know you are facing and how these can be addressed with Unite365!

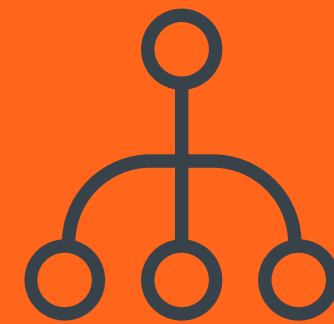

Starting to become desperate, with disparate systems?

A single system will mean all reports are run from the same system

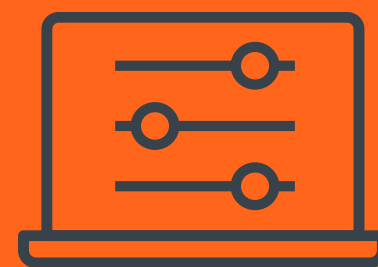

Want to reduce and streamline costs?

A fully integrated system will reduce duplicated data input

Want to improve gross margins?

Control direct costs on jobs and avoid project delays/overruns

Leads slipping through the cracks?

Stop leads leaking from the sales funnel with better sales management

Savings/ROI

Increase gross margins by 1% by better cost control and efficient project delivery

Increase revenue by 2% with better sales opportunities

Reduce administration labour costs by 20% through leaner business processes
